Hi Hadas,

I was able to go over the letter from Clark Hill a bit today. I unfortunately havent been able to fully dissect the case law they site in the letter. I do have a few big picture questions that might be helpful for the folks during the site visit. Im also cc-ing Karyn because I do think there are jurisdictional issues here that are in her area of expertise.

1. (b) (5) (ACP), (b) (5) (DP)
2. (b) (5) (DP), (b) (5) (ACP)
- 3.
4. (b) (5) (DP), (b) (5) (ACP)

Hopefully this is helpful and I will be able to revisit the letter in more detail tomorrow or Monday.

Thanks,

Alexis
